

## AgiOS Announces Proposed Offering of Common Stock

January 17, 2018

CAMBRIDGE, Mass., Jan. 17, 2018 (GLOBE NEWSWIRE) -- Agios Pharmaceuticals, Inc. (Nasdaq:AGIO) today announced that it is offering to sell, subject to market and other conditions, up to \$400 million of its common stock in an underwritten public offering. Agios also intends to grant the underwriters a 30-day option to purchase from it up to an additional 15% of the shares of common stock offered in the public offering. All of the shares in the offering are to be sold by Agios. The proceeds of the offering are expected to be used to fund the company's research, clinical development and pre-commercial activities. The offering is subject to market and other conditions, and there can be no assurance as to whether or when the offering may be completed.

J.P. Morgan Securities LLC, Goldman Sachs & Co. LLC and Cowen and Company, LLC are acting as joint book-running managers for the offering.

The shares are being offered by Agios pursuant to an automatically effective shelf registration statement that has been filed with the Securities and Exchange Commission ("SEC"). A preliminary prospectus supplement relating to, and describing the terms of, the offering will be filed with the SEC and will be available on the SEC's web site at [www.sec.gov](http://www.sec.gov).
