

## **AgiOS to Present at the Citi 13th Annual Biotech Conference Wednesday, September 5, 2018**

August 28, 2018

CAMBRIDGE, Mass, Aug. 28, 2018 (GLOBE NEWSWIRE) -- Agios Pharmaceuticals, Inc. (NASDAQ:AGIO), a leader in the field of cellular metabolism to treat cancer and rare genetic diseases, today announced that the company is scheduled to present at the Citi 13<sup>th</sup> Annual Biotech Conference in Boston on Wednesday, September 5, 2018 at 8:00 a.m. ET.

A live webcast of the presentation can be accessed under "Events & Presentations" in the Investors section of the company's website at [www.agios.com](http://www.agios.com). A replay of the webcast will be archived on the Agios website for at least two weeks following the presentation.

### **About Agios**

Agios is focused on discovering and developing novel investigational medicines to treat cancer and rare genetic diseases through scientific leadership in the field of cellular metabolism. In addition to an active research and discovery pipeline across both therapeutic areas, Agios has two approved oncology precision medicines and multiple first-in-class investigational therapies in clinical and/or preclinical development. All Agios programs focus on genetically identified patient populations, leveraging our knowledge of metabolism, biology and genomics. For more information, please visit the company's website at [www.agios.com](http://www.agios.com).
