

AgiOS to Host Conference Call from the 21st Congress of the European Hematology Association

June 1, 2016

CAMBRIDGE, Mass., June 01, 2016 (GLOBE NEWSWIRE) -- Agios Pharmaceuticals, Inc. (NASDAQ:AGIO), a leader in the fields of cancer metabolism and rare genetic metabolic disorders, today announced that the company will host a conference call and live webcast on Saturday, June 11, 2016 at 9:30 a.m. ET to discuss clinical and preclinical data presented at the 21st Congress of the European Hematology Association (EHA) taking place June 9-12, 2016 in Copenhagen.

The live webcast can be accessed under "Events & Presentations" in the Investors and Media section of the company's website at www.agios.com. The conference call can be accessed by dialing 1-877-377-7098 (domestic) or 1-631-291-4547 (international) and referring to conference ID 18475657. The webcast will be archived and made available for replay on the company's website beginning approximately two hours after the event.

About Agios

Agios is focused on discovering and developing novel investigational medicines to treat cancer and rare genetic metabolic disorders through scientific leadership in the field of cellular metabolism. In addition to an active research and discovery pipeline across both therapeutic areas, Agios has multiple first-in-class investigational medicines in clinical and/or preclinical development. All Agios programs focus on genetically identified patient populations, leveraging our knowledge of metabolism, biology and genomics. For more information, please visit the company's website at www.agios.com.
