

AgiOS to Webcast Conference Call of Second Quarter 2017 Financial Results on August 8, 2017

July 28, 2017

CAMBRIDGE, Mass., July 28, 2017 (GLOBE NEWSWIRE) -- Agios Pharmaceuticals, Inc. (NASDAQ:AGIO), a leader in the field of cellular metabolism to treat cancer and rare genetic diseases, today announced that the company will host a conference call and live webcast on Tuesday, August 8, 2017 at 8:00 a.m. ET to report its second quarter 2017 financial results and discuss recent clinical development and corporate activities.

The live webcast can be accessed under "Events & Presentations" in the Investors section of the company's website at www.agios.com. The conference call can be accessed by dialing 1-877-377-7098 (domestic) or 1-631-291-4547 (international) and refer to conference ID 61600194. The webcast will be archived and made available for replay on the company's website beginning approximately two hours after the event.

About Agios

Agios is focused on discovering and developing novel investigational medicines to treat cancer and rare genetic diseases through scientific leadership in the field of cellular metabolism. In addition to an active research and discovery pipeline across both therapeutic areas, Agios has multiple first-in-class investigational medicines in clinical and/or preclinical development. All Agios programs focus on genetically identified patient populations, leveraging our knowledge of metabolism, biology and genomics. For more information, please visit the company's website at www.agios.com.
