

## **AgiOS to Webcast Conference Call of Third Quarter 2024 Financial Results on October 31, 2024**

October 17, 2024

CAMBRIDGE, Mass., Oct. 17, 2024 (GLOBE NEWSWIRE) -- Agios Pharmaceuticals, Inc. (Nasdaq: AGIO), a leader in cellular metabolism and PK activation pioneering therapies for rare diseases, today announced the company will host a conference call and live webcast on Thursday, October 31, 2024, at 8:00 a.m. ET to report its third quarter 2024 financial results and business highlights.

A live webcast of the presentation can be accessed under "Events & Presentations" in the Investors section of the company's website at [www.agios.com](http://www.agios.com). A replay of the webcast will be archived on the company's website for at least two weeks following the presentation.

### **About Agios**

AgiOS is the pioneering leader in pyruvate kinase (PK) activation and is dedicated to developing and delivering transformative therapies for patients living with rare diseases. In the U.S., Agios markets a first-in-class PK activator for adults with PK deficiency, the first disease-modifying therapy for this rare, lifelong, debilitating hemolytic anemia. Building on the company's deep scientific expertise in classical hematology and leadership in the field of cellular metabolism and rare hematologic diseases, Agios is advancing a robust clinical pipeline of investigational medicines with programs in alpha- and beta-thalassemia, sickle cell disease, pediatric PK deficiency, myelodysplastic syndrome (MDS)-associated anemia and phenylketonuria (PKU). In addition to its clinical pipeline, Agios is advancing a preclinical TMPRSS6 siRNA as a potential treatment for polycythemia vera. For more information, please visit the company's website at [www.agios.com](http://www.agios.com).
