

AgiOS to Present at the Cowen and Company 36th Annual Health Care Conference on Tuesday, March 8

March 1, 2016

CAMBRIDGE, Mass., March 01, 2016 (GLOBE NEWSWIRE) -- Agios Pharmaceuticals, Inc. (NASDAQ:AGIO), a leader in the fields of cancer metabolism and rare genetic metabolic disorders, today announced the company is scheduled to present at the Cowen and Company 36th Annual Health Care Conference in Boston on Tuesday, March 8, 2016 at 8:40 a.m. ET.

A live webcast of the presentation can be accessed under "Events & Presentations" in the Investors and Media section of the company's website at agios.com. A replay of the webcast will be archived on the Agios website for at least two weeks following the presentation.

About Agios

Agios is focused on discovering and developing novel investigational medicines to treat cancer and rare genetic metabolic disorders through scientific leadership in the field of cellular metabolism. In addition to an active research and discovery pipeline across both therapeutic areas, Agios has multiple first-in-class investigational medicines in clinical and/or preclinical development. All Agios programs focus on genetically identified patient populations, leveraging our knowledge of metabolism, biology and genomics. For more information, please visit the company's website at agios.com.
